**6.Defects and Risk:**

Upon the works being completed the Customer shall inspect the works and notify Crescent Power Ltd within 24 hours of any defects, shortage in quantity or failure to comply with the original quotation.

Failure to comply with this requirement may mean that Crescent Power Ltd is not liable for any such defect whether it constitutes a loss or not to the Customer.

The risk for the goods passes to the Customer upon delivery to the specified customer's premises.

This applies regardless of whether Crescent Power Ltd retains ownership or not.

**7.Additions:**

Any additional work added and not included in this quotation will be discussed, agreed and charged appropriately.

**8.Work Area:**

Given the nature of the work to be carried out, some disruption to the installation is likely. However, we aim to leave any area as we found it, this includes clearing up any mess and all care will be taken to avoid damage.

**9.Unforeseen Problems:**

Prices on this quotation are based on the work to be undertaken to all go as expected. However, in some situations relating to electrical work and installations we may come across problems and issues that could not be anticipated at the time of quotation and until the work commenced. Not all problems have an impact on the amount of work and cost anticipated and quoted for. However, should a situation arise where this is the case, we will advise you immediately, provide you with a solution(s) and advise you of the impact (if any) on prices quoted. We will only proceed with your agreement.
